

Demi Lovato - What Other People Say

tom: Em

[Primeira Parte]

Thought when I grew up
I would be the same
As the ones who gave me my last name
I would not give in
I would not partake
In the same old drugs
Everyone else takes

[Pré-Refrão]

I'm better than that
I'm better than that
I'm living my life so I go to heaven
And never come back
But look where I'm at
Look where I'm at
I'm living the life that I said
I wouldn't, I wanna go back

[Refrão]

I used to call my mom every Sunday
So she knew her love wasn't far away
But now I 'm all fucked up out in LA
'Cause I care more about
What other people say
I used to not take chances
With God's name
But it's been so long
Since I last prayed
And now I'm all fucked up
And my heart's changed
'Cause I care more about
What other people say
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeeeeeah
'Cause I care more about
What other people say

[Segunda Parte]

I wish I could shelter the boy I knew
From the constant hell
I'd put him through
'Cause I'm all grown up
And I'm black and blue
I could use some tape
I could use some glue

[Pré-Refrão]

I'm better than that
I'm better than that
I should be living my life so I go
To heaven and never come back

[Refrão]

I used to call my mom every Sunday
So she knew her love wasn't far away
But now I'm all fucked up out in LA
'Cause I care more about
What other people say
I used to not take chances
With God's name
But it's been so long
Since I last prayed
And now I'm all fucked up
And my heart's changed
'Cause I care more about
Wwhat other people say
Yeah, yeah, yeah
'Cause I care more about
What other people say

[Terceira Parte]

Thought when I grew up
I would be the same
As the ones who gave me my last name
