Everyday is like a blank canvas  
You know you can paint it anyway you want it  
You can draw black clouds, you can make the sun shine  
Color in a rainbow, or use black and white

Open up your eyes and, your imagination

Refrão:  
Come on let's write a song, a little poetry  
Take a photograph, let's make some memories  
You can make it anything that you want it to be  
**Bb**  
If you follow your heart, Life is a work of art

(Riff)  
Every night's like looking at a dark screen  
You're never too young or too old to dream  
You can make your fantasies into a reality  
Cause you're creating your own masterpiece

Close your eyes and dream it, seeing is believing
