tom:
Bm

Remember me

Remind me the last time

Remember peace

And when the tides were low

But now you're gone

I'm lost by the wayside

It's been so long

Have you woke from the dead?

Or is it loneliness?
D A Bm (E Gbm G)

It's all I see
Bm

The light of a past life
Bm

Alone to bleed
G

I am without release
D Em

You set me free
Bm

To wander the shoreline

Or is it me?
D Em

Too proud to speak the need

Where is the fire you gave me?
Bm

All of the weight to remind me
G D

Of all that we were
G A

How long 'til I turn?

Is that you in my head?
D A

Have you woke from the dead?
Bm G

Or is it loneliness?
D A Bm

(Bm C Bm)

Is that you in my head?
D A

Have you woke from the dead?
Bm G

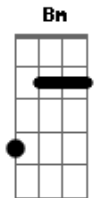

Or is it loneliness?
D A Bm

Is that you in my head?

Have you woke from the dead?

Or is it loneliness?
