Chum Chim Chum era um china danado

Chum Chim Chum era um cara gozado

Se via mulher na pastelaria

Chum Chim Chum da vida esquecia

Chum Chim Chum a porta fechava

Vejam só o que se passava

Menina eu quero casar com voce

Sem os seus carinhos não posso viver

Querida me abraçe que te dou depois

Paster de parmito com doce de arroz

Mas como as pequenas nunca davam chance

O china enfezado servia depois

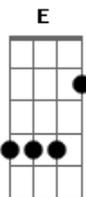

Paster com vento sim senhor

Paster com vento sim senhor
