

Demônios da Garoa - Nega Bilú

Tom: C

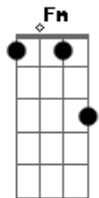

(intro) C7

F Fm C B7 Bb7 A7
Zum- zum-zum-zum-zum-zum

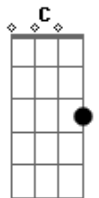

Tinha tratado de sair com a Bilu
Domingo de noite no jardim do 'paicambu'
Ela disse assim:
- Horácio, tu vai me buscar,
no portão do meu patrão
às oito nós vai se arrancar.
Mas desta vez tu não esqueça

O "cadiades" no portão,
Sabe, nega, é de morte
Pra pular o paredão.
Se tu me ama de "fates"
Num esqueça o "cadiades", não
Da outra vez que eu pulei, ó nega,
Eu quebrei a mão.
- Fui parar no prantão!
(repetir tudo)
Da outra vez que eu pulei, ó nega,
Eu quebrei a mão.
