

Denison Witmer - I Tried To Make You Smile

Tom: C

(C Em C Em)

C
In the voice of Stevie Nicks I feel young **Em**
And I become confused

C
Listening back to Fleetwood Mac

Em
And listen back to careful thoughts of you

Dm **G**
I don't want to lose your friendship now

C **D** **Am**
And I've been feeling insecure

Dm **G**
Maybe we just need some time apart

C **D** **Am**
Everybody does for sure

Dm **G** **C**
Can you see how I tried to make you smile?

C
I've always known that I can't change my past

Em
But didn't know that I changed for the best

C **Em**
Your responsible for what happens to you now
The choice of what comes next.

Dm **G**
So I'm not gonna say I've failed us both

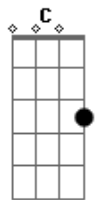

C **D** **Am**
I never thought that way of you

Dm **G**
Maybe we just need some time apart

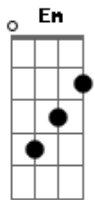

C **D** **Am**
And I don't know what else to do

Dm **G** **C**
Was it wrong how I tried to make you mine?
