

# Depeche Mode - Enjoy the silence

Tom: **Db**

**Cm**  
Words like violence  
**Ebm**  
Break the silence  
**Ab**  
Come crashing in  
Into my little world

**Cm**  
Painful to me  
**Ebm**  
Pierce right through me  
**Ab**  
Can't you understand  
Oh my little girl

**Fm**  
All I ever wanted  
**Ab**  
All I ever needed  
**Cm**  
Is here in my arms  
**Fm** **Ab**  
Words are very unnecessary  
**Cm** **B**  
They can only do harm

**Cm**  
Vows are spoken  
**Ebm**  
To be broken  
**Ab**  
Feelings are intense  
Words are trivial

**Cm**  
Pleasures remain

**Ebm**  
So does the pain  
**Ab**  
Words are meaningless  
And forgettable

**Fm**  
All I ever wanted  
**Ab**  
All I ever needed  
**Cm**  
Is here in my arms  
**Fm** **Ab**  
Words are very unnecessary  
**Cm** **B**  
They can only do harm

**Fm**  
All I ever wanted  
**Ab**  
All I ever needed  
**Cm**  
Is here in my arms  
**Fm** **Ab**  
Words are very unnecessary  
**Cm** **B**  
They can only do harm

**Fm**  
All I ever wanted  
**Ab**  
All I ever needed  
**Cm**  
Is here in my arms  
**Fm** **Ab**  
Words are very unnecessary  
**Cm** **B**  
They can only do harm

Enjoy the silence...
