Chords

Intro: D followed by main riff 4

Well if you ever plan to motor west

Travel my way, take the highway that's the best

Well it winds from Chicago to LA

More than two thousand miles all the way

More than two thousand miles all the way

More than two thousand miles all the way

Well it goes to St. Louis, down to Missouri

Oklahoma City looks so, so pretty

You'll see Amarillo, Gallup, New Mexico

Flagstaff, Arizona, don't forget Wynonna

Kingman, Barstow, San Bernardino

If you get hip to this kind of tip

And go take that California trip

And go take that California trip

[Chord sequence from Behind The Wheel, played 3 semitones higher]

[two bars each, play 4 times]

[Following chords as for previous verses]

Well it goes to St. Louis, down to Missouri
Oklahoma City looks so, so pretty
You'll see Amarillo, Gallup, New Mexico
Flagstaff, Arizona, don't forget Wynonna
Kingman, Barstow, San Bernardino

If you get hip to this kind of tip
And go take that California trip

And go take that California trip

[Repeat to fadeout]
