

# Depeche Mode - Somebody

Tom: **G**

Estrofe 1:

**G**  
I want somebody to share  
Share the rest of my life  
**Am**  
Share my innermost thoughts  
**D7**  
Know my intimate details  
**G**  
Someone who'll stand by my side  
And give me support  
**Am**  
And in return  
**D7**  
She'll get my support

**C**  
She will listen to me  
**G**  
When I want to speak  
**Am**  
About the world we live in  
**C**  
And life in general  
Though my views may be wrong  
**G**  
They may even be perverted  
**Am**  
She'll hear me out  
**C**  
And won't easily be converted

**C G**  
To my way of thinking  
**G C**  
In fact she'll often disagree  
**C G**  
But at the end of it all  
**Em Em**  
She will understand me  
**C D**  
Aah

Instrumental 2x: **G C D**

Estrofe 2:

**G**  
I want somebody who cares  
For me passionately  
**Am**  
With every thought and  
**D7**  
With every breath  
**G**  
Someone who'll help me see things  
In a different light  
**Am**  
All the things I detest  
**D7**  
I will almost like

**C**  
I don't want to be tied  
**G**  
To anyone's strings  
**Am**  
I'm carefully trying to steer clear of  
**C**  
Those things  
But when I'm asleep  
**G**  
I want somebody  
**Am**  
Who will put their arms around me  
**C**  
And kiss me tenderly  
**C G**  
Though things like this  
**G C**  
Make me sick  
**C G**  
In a case like this  
**Em Em**  
I'll get away with it  
**C D**  
Aah

Instrumental 4x: **G C D**  
Uh? Ah?

Fim: **G**  
Ah?
