

Deptford Goth - Feel Real

Tom: C
Intro: C D G Em

C D
Now you've got to breathe

Em G
It's only where your feet fell

Em
People so cool

C
Somebody wants you

D
A lover come back

G
I want to dance like her

Em
Like nobody's watching

C D
But nobody's watching

G Em
Forever meant nothing when we had nothing

C
Feel real

D
Now

G Em
Forever meant nothing when we had nothing

C D
Even when you know

G
Hits you hard

Em C
Leaves slow, comes back fast

D
When you can't take it

G
don't swallow your pain

Em
Been around once

C D
It'll be around again

G Em
Forever meant nothing when we had nothing

C
Feel real

D
Now

G Em
Forever meant nothing when we had nothing

C D
That's the time it took

G
To calm these things

Em
Better to have been with than live without it

C D
Hold yourself, howl and scream

G Em
Finally feel everything joining underneath

C D
Now you've got to breathe

G
It's only where your feet fell

Em
People so cool

C
Somebody wants you

D
A lover come back

G
I want to dance like her

Em
Like nobody's watching

C D
But nobody's watching
