

Deque Borges - Linda Menina

Tom: G

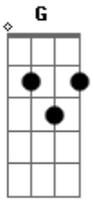

Esse é o dia pra comemorar
 Linda melodia pra poder falar
 Que o senhor guardou, cada respirar
 Desde o ventre, Ele viu formar
 Esse é o dia, olha onde chegou
 E você tão linda, foi Deus quem Cuidou
 E guiou teus passos, consolou no Seu abraço

O seu nome Ele vai lembrar
 Ele já sabia a cor dos teus cabelos
 Tuas Qualidades, também os defeitos
 E quem não tem?
 Tua família foi Ele quem deu
 Sussurrou o teu nome quando nasceu
 A linda menina... de Deus
