(I'll never stop loving you)

[Primeira Parte]
Love to watch the moonlight
...Bouncing off your eyes
Your hands between your thighs
I'm smitten

I love the way your lips fit
So perfectly with mine
You're flawless by design
I'm addicted

[Pre-chorus]
Love... me hard
Kiss... me Slow
Hold... Me tight
In...your arms

[Refrão]

I'd kill if you Asked.... me to

[Segunda Parte]
Love to watch you Poolside
...Sipping on your wine
And teasing all the guys
Got them wishing

Oh It should be a real crime
...To be this fucking fine
I want what you supply
I'm addicted
