

# Dermot Kennedy - Lost

tom:  
Capostrate na 3ª casa (forma dos acordes no tom de G)

[Primeira Parte]

Em  
When everything was broken  
D  
The Devil hit his second stride  
Bm  
But you remember what I told ya  
C  
Someday I'll need your spine to hide behind  
Em  
For fear of moments stolen  
D  
I don't wanna say goodnight  
Bm  
But I'll still see you in the morning  
C  
Still know your heart and still know both your eyes

[Pré-Refrão]

Em  
I could've told you 'bout the long nights  
D  
How no one loves the birds that don't rise  
Bm  
So you can tell the heroes go hide  
C  
My sense of wonder's just a little tired

[Refrão]

D Em C  
But if only you could see yourself in my eyes  
C  
You'd see you shine, you shine  
D Em C  
I know you'd never leave me behind  
C  
But I am lost this time  
D Em C  
Are we destined to burn, or will we last the night?  
C  
I will hold you 'til I hold you right  
D Em C  
But if only you could see yourself in my eyes  
C Em  
You'd see you shine, you shine

[Solo] D Bm C

[Segunda Parte]

Em  
So we'll run into the open  
D  
Keep your hand inside of mine  
Bm  
And then when everything is over  
C  
I hope to think of this as better times  
Em

The sky got red and swollen  
D  
I guess I never see the signs  
Bm  
There can't be songs for every soldier  
C  
There can't be solace every time you cry

[Pré-Refrão]

Em  
I could've told you 'bout the long nights  
D  
How no one loves the birds that don't rise  
Bm  
So you can tell the heroes go hide  
C  
My sense of wonder's just a little tired

[Refrão]

D Em C  
But if only you could see yourself in my eyes  
C  
You'd see you shine, you shine  
D Em C  
I know you'd never leave me behind  
C  
But I am lost this time  
D Em C  
Are we destined to burn, or will we last the night?  
C  
I will hold you 'til I hold you right  
D Em C  
But if only you could see yourself in my eyes  
C G  
You'd see you shine, you shine

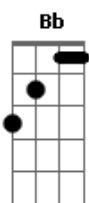

D C  
I was lost 'til I found you  
G D C  
Now these songs will hold and hide your name  
G D C  
All at once was all about you  
G D C  
Since that night the moon has never seemed the same

[Refrão]

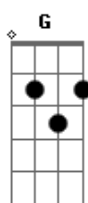

D Em C  
But if only you could see yourself in my eyes  
C  
You'd see you shine, you shine  
D Em C  
I know you'd never leave me behind  
C  
But I am lost this time  
D Em  
What if the love you deserve is love you never find?  
C D  
I've learned in love and death we don't decide  
Em C  
But if only you could see yourself in my eyes  
Em  
You'd see you shine, you shine

[Final] D Bm C
