

Des Rocs - Maybe, I

tom:

Em
Maybe there's a fever
C
Burnin on in the inside
Em
Waiting for the demons
C
To come and lick the tears dry

Em C G
But i'm still begging for the pale sugar water
Bm
Eyes lazy for the truth
Em C G
Am I, still waiting like a lamb to the slaughter?
Bm
Does your god believe in you?
E C
Maybe, i'm a total wreck
G Bm
So drain my blood until there's nothing left
E C
Maybe, i won't repent
G Bm
Live a lie and let the vultures in

Em
Maybe, i
C G Bm
(i, i, i, i)
Em
Will make a mess of me
C G Bm
(i, i, i, i)
G Em
Will make a mess of me

Em
Maybe there's a savior
C
A cowboy with the right mind
Em
Smoking from the razor
C
Cutting just to feel nice

Em C G
But i'm still begging for the pale sugar water

Eyes lazy for the truth
