

# Desafinados S.A - Quero Você

tom: G

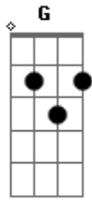

Quero você  
 Como as águas precisam  
 Do mar  
 Sem ter você  
 Desespero vendo o tempo  
 Passar  
 Quero o teu carinho impossível  
 Diferente  
 Como tudo o que vem de você  
 No infinito dos teus olhos encontrarei

Am7 Ab7  
 A paz perdida  
 Olha pra mim  
 E verás quanta coisa  
 Ocultei  
 Foi triste sim  
 De saudades mil tormentos  
 Passei  
 Chega pertinho e confessa  
 Que também sente falta de mim  
 Sei que voltou pra ficar  
 Afinal encontrou seu lugar
