

Descendentes (Disney) - Queen Of Mean

Tom: **G**

m (forma dos acordes no tom de **Em**)
Capostraste na 3ª casa

Em **C**
I'm so tired of pretending
D **Am**
Where's my happy ending?

Em
I followed all the rules
C
I drew inside the lines
D
I never asked for anything
Am
That wasn't mine

Em
I waited patiently for my time
C
But when it finally came
D **Am**
He called her name

Em
And now I feel this overwhelming pain

C
I mean, it's in my veins
D
I mean, it's in my brain
Am
My thoughts are running in a circle
Em
Like a toy train

C
I'm kinda like a perfect picture
D
With a broken frame
Am **Em**
I know exactly who to blame

C **D** **Am** **Em**
I never thought of myself as mean
C **D** **Am**
I always thought that I'd be the queen
Em
And there's no in-between

C
'Cause if I can't have that
D **Am**
Then I will be the leader of the dark

And the bad

Em **C**
Now there's a devil on my shoulder
D
Where the angels used to be
Am **Em** **C** **D** **Am**
And he's calling me the queen

Em **C**
Being nice was my past time
D **Am**
But I've been hurt for the last time
Em **C**
And I won't ever let another person take advantage of me
D **Am**
The anger burns my skin, third-degree

Em **C**
Now my blood's boiling hotter than a fiery sea
D **Am**
There's nobody getting close to me
Em

They're gonna bow to the evil queen

C
Your nightmare is my dream
D
Just wait until they fall
Am **Em**
To my wicked schemes

C **D** **Am** **Em**
I never thought of myself as mean
C **D** **Am**
I always thought that I'd be the queen
Em
And there's no in-between

C
'Cause if I can't have that
D **Am**
Then I will be the leader of the dark

And the bad

Em **C**
Now there's a devil on my shoulder
D
Where the angels used to be
Am **Em** **C**
And he's calling me the queen of mean

D **Am** **Em** **C**
The queen of mean
D **Am**
The queen of mean

Em
Something's pulling me
C
It's so magnetic
D
My body is moving
Am
Unsure where I'm headed

Em **C**
All of my senses have left me defenseless
D
This darkness around me
Am
Is promising vengeance

Em **C**
The price that I'm willing to pay is expensive
D
There's nothing to lose
Am
When you're lonely and friendless

Em
So my only interest
C
Is showing this princess
D
That I am the queen
Am
And my reign will be endless

Em **C**
I want what I deserve
D **Am**
I want to rule the world
Em **C**
Sit back and watch them learn
D **Am** **Fm**
It's finally my turn

Db **Eb** **Cm** **Fm**
If they want a villain for a queen
Db **Eb** **Cm**
I'm gonna be the one they've never seen

I'll show them what it means

Now that I am that

I will be the ruler of the dark and the bad

'Cause the devil's on my shoulder

Where the angels used to be

And he's calling me the queen of mean

The queen of mean

I want what I deserve
