If you want it, (I got it)
Say the word and (I will try it)
I know whatever I'm not full fillin'

I'm gone fullfill you my body and spirit
I promise ya
I'll keep myself up

I'll keep it tight

I'll keep my hair fixed

When you come home late
Tap me on my shoulder, I'll roll over
Baby I heard you,
I'm here to serve you
this love you need
to give it is my joy
All I wanna do is cater to you boy

Let me cater 2 u
Cause baby this is your day
Do anything for my man
Baby you blow me away
I got your slippers
your dinner
Your dessert and so much more
Anything you want,
Let me cater to you
Inspire me from the heart
Can't nothing tear us apart

I put my life in your hands
I got your slippers,
your dinner,
Your dessert and so much more
Anything you want,
I wanna cater 2 u

Wanna give my class
my strength
my will to live
That's the least I can do
Let me cater to you
Through the good, the bad
the ups and the downs
I'll still be here for you
Let me cater to you
Cuz you're beautiful
I love the way you walk
Fullfill your every desire
Your wish is my command
I wanna cater to my man
Your heart
So pure your love shines through
The darkness we'll get through
So much of me is you
I wanna cater to my man

Let me cater 2 u
Cause baby this is your day
Do anything for my man
Baby you blow me away
I got your slippers
your dinner
Your dessert and so much more
Anything you want,
Let me cater to you

Inspire me from the heart
Can't nothing tear us apart
You all I want in a man
I put my life in your hands

I got your slippers,
your dinner,
Your dessert and so much more
Anything you want,
I wanna cater 2 u
