Ever since you cut your hair

Am F

You're so different and don't seem to care

C G

Staying out late, X's on hands

Am C

Since when did you like punk rock bands?

C G

Green eyes leaning in on me

C F

Green eyes, am I what you want to see?

Am D F

Am I what you want to see

Am D F

Am I what you want to see

C G

I liked the girl with the long locks

C

Well, there's a new girl on the block

C

Green eyes

G

Leaning in on me

C G

Green eyes, am I what you want to see?

Am D F

Am I what you want to see

Am D F

Am I what you want to see

C

Is it 'cause I cuff my pants

G

Or 'cause I listen like to surf rock?

Am

Or is it really 'cause I am around a lot of music

C

That's cool now or something?

Am

I don't really get it

G

It doesn't really seem like I like myself more now

C G

Green eyes leaning in on me

C G

Green eyes, am I what you want to see?

Am D F

Am I what you want to see?

Am D F

Am I what you want to see?
