

# Devendra Banhart - Baby

Tom: C

(intro) C Dm

C  
Baby

I finally know what im going after Dm  
I'm learning to let in all the laughter C  
Holy Moley you're so funny Dm  
You Crack me up, you crack me up

C Dm  
Look out for dreams that keep returning C  
'Cause magic ain't no hand-me-down yearning Dm  
You feel it, you want it, the way I want you babe

F C  
Traveling by choo-choo train C  
F We know where we just don't know when C  
F Like some everlasting onion that I love G

C Dm  
Never heard a better bad joke said outloud

You flip-flop and I wall out  
Can you believe it  
I can't believe it but it's true

You're giving eighty billion years of giggling  
A whole new world to live in  
But this one's real, this one's real, this one's real

F C  
Like some hog tied Kangaroos C  
F You be one and I'll be one too C  
F We play it goofy or we play it cool oh oh G

(C Dm )

F C  
Everything that happened C  
F You know it don't mean a thing to us C  
F 'Cause so much is gonna happen G  
Because

C Dm  
You showed me a sunset overflowing  
But who cares where it's going  
As long as you're next to me
