Then it goes quiet and for the rest of the song he intersperses the picking of the above chords (A, **Fm**) with small lead bits.

Be kind, baby be kind  
Be kind, baby be kind  
The light of this might  
Align your legs to time

They give me up as I got mine  
Oh and that's too many times  
Baby be kind  
And my eyelids are fine  
Don't let your eyes pop out boy  
You may drop your black candy apple  
From the fright of having your eyes pop out  
And someone else buys seeing double  
So be kind baby be kind  
Won't cha be kind baby be kind  
And the way he drops the ants will cover him up  
I said you'd get 'em back dear  
Don't cha try to puff them all up  
Baby dear don't cha try  
To be kind baby be kind  
You know the light of this whole world and mine  
Aligns your legs to time  
The lake it ain't your fire  
And that is all I've had  
Too many had done  
These eyelids mine  
Don't let your eyes pop out  
You might drop them on your stove  
And they'll wiggle on home

Transcribed by ear, all my own work.  
Good Luck
