I-I I wanna be your cow
Give you all the milk around town
Lemme see, lemme see you drink it down

I want you to climb all over me
Try my fruit and taste my seed

Climb right on me, lay it on me
C-climb right on me, l-lay it on me!

Just let my do my thing
Until you start to sing
I'm going down ya all night long
I'm gonna build a bond
I'm pullin' out my wand
Feels so right it can't be wrong!

Blow a kiss and change the world, yeah

You got me and I got you
Your bleedin' heart's at my command
If you don't love me to
Then bein' friends will do
Long as you let me in your bed!
