

Deyvison Andrade - Cuecas de Senado

Tom: E

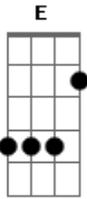

País do futebol a carne é fraca estão jogando a beça
 O jogo que determina onde explode a mina
 Qualquer que seja o resultado, GOL! E o povo todo vibrou
 Estão inventando ate cuecas de senado
 São atitudes sem propósito em comum

Mas logo ali mesmo na esquina eu vi fulano sem nenhum
 Estava esbanjando um sorriso que a muito tempo eu não via um
 Será? Pode trazer a certeza!
 Conceitos têm que brotar
 Do coração ancião
 Saber servir os irmãos
