

Dezarie - Love Yourself

tom:

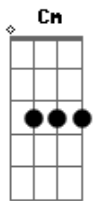

Cm

Cm Eb Fm

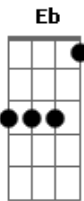

Jah Children please love yourself
Or you cannot love anyone else
Jah Children please love yourself
Or you cannot love anyone else

It is the same looting everyday
You're working hard to get pay, oh yeah
You got a house and family
And you do all that you can for them
There's nothing wrong in giving things
But you're loving and giving everyone except for yourself
Except for yourself
Please love yourself
Or you cannot love anyone else
You rush into your life
And note a living for yourself
But getting advice
But remembering to get your wealth
Beyond are level gains

Before you love your house and car
You'd better love Jah
You'd better love Jah
Jah Children please love yourself
Before you love anyone else
Jah Children please love yourself
Or how can you love anyone else?
Society do race
Misleading the people astray
Advanced technology
Misleading the people astray
So fe unity is necessary
But some known everyone you assist
And don't know themselves
They don't know their selves
Jah Children please love yourself
Or you cannot love anyone else
Jah Children please love yourself
Or how can you love anyone else?
(Vocalization)
Jah Children
Jah Children
Jah Children
Just how can?
