

Diablo Swing Orchestra - Justice For Saint Mary

tom:

Intro: Dm Dm7 G Dm7 G

Dm
Seizures may guide me, insanity found me

I smile as your vanity sings us to sleep
Dm
Burning from both sides, secrets we can't hide
Dm7
That halo you're wearing, it's not yours to keep

Dm Em-
Stolen, and maybe broken
Gm
Since all that you left
Dm A
Is a life that can never be whole again
Dm Em-
Fallen, I heard the warning
Gm
'Cause all that I had was a life
Dm A
That can never be whole again

Will you wait in my honour?

Dm
Hear
Gm Dm
The sound of violence
Gm
It's a beat that
F
Makes us dance
Gm
You sway
A
And I follow your lead
Dm Gm

Drained, like a landmine
Dm
Armed and primed
Gm
Your words
F
They sound like mine
Gm A
We all shall repent

What we've done
Dm
In time

Dm
Confession in real time

Lies could have been mine
Naked are words that
Dm7
Are dressed up in truth
Dm
Light up with voices

Screaming your choices

All that was lost just
Dm7
To keep you from harm

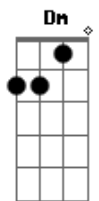

Dm Em- Gm
Spoken, like you told them, for all that I
Dm A
Left was a battle that I'll never fight again
Dm Em-
Show them we're above them
Gm Dm
For all that I have is heart unsure

If even time can mend
