 And some people get you down, remember
 Love like sound, it's better when it's loud
 And if there's no song inside
 We can bring the light together
 Day or night, we're shining from inside
 Turn up the, turn it up
 Turn up the, turn it up
 Turn up the, turn it up
 Turn up the sunshine
 Turn up the, turn it up
 Turn up the, turn it up
 Turn up the, turn it up
 Turn up the sunshine
 All around the world
 We gotta turn up the sunshine, we gotta turn up the sunshine
 Think about it
 All the boys and girls
 You gotta turn up the sunshine, you gotta turn up the sunshine
 Said it's been a long night, long night
 Waiting for the light, waiting for the light
 Let's do it all around the world
 We gotta turn up the sunshine, we gotta turn up the sunshine
