

Diane Patterson - Holy Land

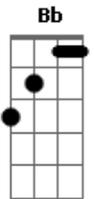

tom:
 Dm
 For timeless souls, just one, a billion
 The tavern master winks, then listens
 Speak your heart, oh simple pilgrim
 Bb / Dm F
 Let devotion send your visions
 F G Dm F
 You, peace-seeking, traveling lover
 F C Dm
 Have no fear to love another
 F
 Lift your song upon this bridge
 G Dm
 That spans to every holy land
 F G
 Let there be love and light
 F
 And we'll wander through those swinging doors
 Bb C
 Where wild birds can then fly through
 Dm
 To me and you
 Bb C
 Where wild birds can then fly through
 Dm
 Those swinging doors, To me and you
 Bb C Dm
 Let there be love and light , Oh, Oh Oh
 [Chorus]
 Bb C Dm
 Build a bridge, this is holy land
 Bb C Dm
 Build a prayer, it's all holy land
 --
 Dm
 Build a bridge to holy lands
 C
 With open hearts and healing hands
 Bb
 Where love is simply traded clean
 C Dm
 For love and care and healing things
 Build a bridge just rocks and bones
 And simple things that stack and hold
 Bb

Like memories of loving times
 C Dm
 ?And words that kindle and inspire?
 Dm
 Build a bridge of eagle wings
 C
 And condor eggs and fragile things
 Bb
 Just strong enough to hold us well
 C
 So we can all still break the spell
 Bb
 So wild birds can still fly through
 C Dm
 Those swinging doors to me and you
 Bb C Dm
 Let there be love and light , Oh, Oh Oh. (BIS) uh
 [Chorus]
 Bb C Dm
 Build a bridge, this is holy land
 Bb C Dm
 Build a prayer, it's all holy land (BIS)
 --
 Dm
 It's all holy land through the pilgrim's eye
 ?Where every rock and tree's alive
 G
 It's all holy land cause we're waking up
 And every drop is in a sacred cup
 Dm G
 It's All holy land! It's All holy land!
 [Chorus]
 Bb C Dm
 Build a bridge, this is holy land
 Bb C Dm
 Build a prayer, it's All holy land (BIS)
 --
 (Ritardando...)
 Dm
 The soul has come through that jade screen
 G
 To wander in this world of dreams
 Dm G
 It's all holy land
 Dm
 Holy land
