

## **Dido - Afraid to Sleep**

```
And (C ) I'm (D ) afraid to (Bm ) sleep
Intro: Em Bm
                                                                    Cause (D ) if I do I'll (Am ) dream of you
                                                                    And (D ) dreams are always (Em ) deep \,
(Em\ ) We slept in this room together but (Bm\ ) now you're gone On the (Am\ ) pillow (D\ ) where I (Em\ ) weep
(Em ) It's so quiet I turn the (Bm ) TV on
                                                                    (Am ) Lying alone in the darkness
(Em ) We lived in this room together, we (Bm ) painted the
                                                                    With a (Em ) memory in my head
walls
                                                                    (C ) There's a big hole where my heart is And a (Am ) lonely feeling (D ) rolling round my (Em ) head
Now (Am ) time doesn't stand still, it (Bm ) crawls
                                                                    And (C ) I'm (D ) afraid to (Bm ) sleep
And (C ) I'm (D ) afraid to (Bm ) sleep
                                                                    Cause (D ) if I do I'll (Am ) dream of you
Cause (D ) if I do I'll (Am ) dream of you
And (D) dreams are always (Em) deep
                                                                    And (C ) I'm (D ) afraid to (Bm ) sleep
On the (Am) pillow (D) where I (Em) weep
                                                                    Cause (D ) if I do I'll (Am ) dream of you
                                                                    And (D ) dreams are always (Em ) deep \,
(Em\ ) I never realized how much I was in (Bm\ ) love with you
                                                                    On the (Am ) pillow (D ) where I (Em ) weep On the (Am ) pillow (D ) where I (Em ) weep
(Em ) Until you started sleeping with (Bm ) someone new
(Em ) Last night I dreamed again and (Bm ) you were there
(Am ) You kissed my face, (Bm ) you touched my hair
                                                                    (Em ) I'm afraid to sleep
```
