

Dido - Don't leave home

Tom: D

like a ghost don't need a key
your best friend I've come to be
please don't think of getting up for me
you don't even need to speak
when I've been here for just one day
you'll already miss me when I go away
so close the blinds and shut the door
you won't need other friends anymore
oh don't leave home, oh don't leave home
and if you're cold, I'll keep you warm
if you're low, just hold on
'cos I will be your safety
oh don't leave home

and I arrived when you were weak
I'll make you weaker, like a child
now all your love you give to me
when your heart is all I need

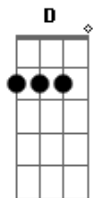

oh don't leave home, oh don't leave home

oh don't leave home, oh don't leave home
and if you're cold, I'll keep you warm
if you're low, just hold on
'cos I will be your safety
oh don't leave home

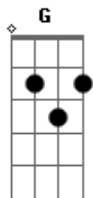

oh how quiet, quiet the world can be
when it's just you and little me
everything is clear, everything is new
so you won't be leaving will you

and if you're cold, I'll keep you warm
if you're low, just hold on
'cos I will be your safety
oh don't leave home
I will be your safety
I will be your safety
I will be your safety
oh don't leave home
