

Dido - Don't leave home

Tom: D

like a ghost don't need a key
 your best friend I've come to be
 please don't think of getting up for me
 you don't even need to speak
 when I've been here for just one day
 you'll already miss me when I go away
 so close the blinds and shut the door
 you won't need other friends anymore
 oh don't leave home, oh don't leave home
 and if you're cold, I'll keep you warm
 if you're low, just hold on
 'cos I will be your safety
 oh don't leave home

and I arrived when you were weak
 I'll make you weaker, like a child
 now all your love you give to me
 when your heart is all I need

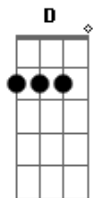

oh don't leave home, oh don't leave home

oh don't leave home, oh don't leave home
 and if you're cold, I'll keep you warm
 if you're low, just hold on
 'cos I will be your safety
 oh don't leave home

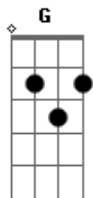

oh how quiet, quiet the world can be
 when it's just you and little me
 everything is clear, everything is new
 so you won't be leaving will you

and if you're cold, I'll keep you warm
 if you're low, just hold on
 'cos I will be your safety
 oh don't leave home
 I will be your safety
 I will be your safety
 I will be your safety
 oh don't leave home
