

# Dido - I'm No Angel

Tom: **C**

(**Am** **C** **F** **Em**)

If you gave me just a coin for every time we say goodbye  
Well I'd be rich beyond my wildest dreams, I'm sorry for my weary life

I know I'm not perfect but I can smile

And I hope that you see this heart behind my tired eyes

If you tell me that I can't, I will, I will, I'll try all night

And if say I'm coming home, I'll probably be out all night

I know I can be afraid but I'm alive

And I hope that you trust this heart behind my tired eyes

I'm no angel,

But please don't think that I won't try and try

I'm no angel,

But does that mean I can't live my life

I'm no angel,

But please don't think that I can't cry

I'm no angel,

But does that mean that I won't fly

I know I'm not around each night

And I know I always think I'm right

I can believe that you might look around

I'm no angel,

But please don't think that I won't try and try

I'm no angel,

But does that mean I can't live my life

I'm no angel,

But please don't think that I can't cry

I'm no angel,

But does that mean that I won't fly
