

Diego Carcaño - Naive

tom:

Intro: Dm G C F
Dm G C F

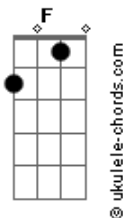

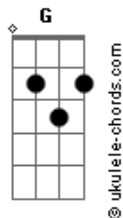

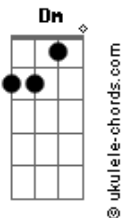

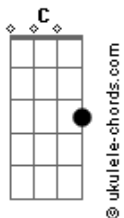

Dm G
 There's a moment I like best
C F
 It's the moment I saw you first
Dm G
 In the patio of a school
C F
 Hearing about you

Dm G
 I don't remember if the sun burned
C F
 Or the air was strong
Dm G
 I just know my soul was set on fire
C F
 But it was also cold

Dm G
 I confused you with love
C F
 Blind as I always have been
Dm G
 Everyone told me of the cliff
C F
 In your empty soul, I didn't stop

Dm G
 I never had wings
C F
 But always had faith
Dm G
 I liked being naive

Acordes

C F
 And live only to love
Dm G
 Wait, there's a moment I like more
C F
 It's the moment you slept on my arm
Dm G
 In the back of a car
C F
 Hearing my heart race

Dm G
 It's never going to happen again
C F
 But I know that you, in the end
Dm G
 Will always be there
C F
 And I guess we can be friends

Dm G
 I hate you some days
C F
 I'd still give you my heart
Dm G
 Every single day
C F
 For the rest of our lives

Dm G
 I thought you were alone
C F
 Why, oh why, oh why, oh why

[Final] Dm G C F
