

Dillard & Clark - Through The Morning, Through The Night

Tom: G

Intro: D Am C G

Believe me when I tell you
 I will try to understand
 Believe me when I tell you
 I could never kill a man
 But to know that another man's holding you tight
 Hurts me, little darling
 Through the morning, through the night
 The bond has been broken
 The promise you gave
 The words that were spoken
 I can not be your slave
 But to know that the trust you had in me is gone
 Hurts me, little darling
 Through the nighttime, through the dawn
 I dreamed just last night

You were there by my side
 Your sweet loving tenderness
 Easing my pride
 But then I awoke dear, and found you not there
 It was just my old memory
 Of how much I care
 Believe me when I tell you
 I will try to understand
 Believe me when I tell you
 I could never kill a man
 But to know that another man's holding you tight
 Hurts me, little darling
 Through the morning, through the night
 Yes, it hurts me, little darling
 Through the morning, through the night
