

# Dillon - The Present

tom:  
Bb (forma dos acordes no tom de C)  
Afinação: D G C F A D

To you I present  
A fleeting moment  
For us to share forever  
This brutal approach  
Awoke and exposed  
A lost longing within me

I get it I get it  
You are a present  
I get it I get it  
I get it I get it  
You are the present

I can now cherish

With me on defense  
The present stays tense  
As we care for each other  
Our brutal approach  
Awoke and exposed  
Unspoken trust amongst us

I get it I get it  
We are the present  
Now I get it I get it  
We get it We get it  
We are a present  
We can now cherish
