

Dillon - The Present

tom:
Bb (forma dos acordes no tom de C)
Afinação: D G C F A D

To you I present
A fleeting moment
For us to share forever
This brutal approach
Awoke and exposed
A lost longing within me

I get it I get it
You are a present
I get it I get it

I get it I get it
You are the present

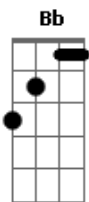

I can now cherish

With me on defense
The present stays tense
As we care for each other
Our brutal approach
Awoke and exposed
Unspoken trust amongst us

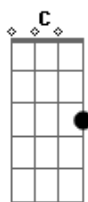

I get it I get it
We are the present
Now I get it I get it

We get it We get it
We are a present
We can now cherish
