Dio - As Long As It's Not About Love

```
                tom:
                Dm
Intro: Dm  Bb  Gm
       Dm  F  C  F
       F  C  Dm  A
       Dm  C  Bb  Gm
       Dm  C

         Dm             C               Dm   C
From the first time we touched with our eyes
     Bb           C              Dm       C
Only magic could take away my heart
       Dm      C          Dm      C
I am always afraid for my heart
    F     C       F      Bb       Dm  C     Gm
So lay beside me now and tell me lies, sweet lies
                        F
As long as it's not about love

Dm                     C               Dm  C
Shall we sail off the edge of the world
      Bb          C              Dm     C
Fall forever and never look behind
C    Dm            C          Dm      C
But I must keep my heart from my mind
F   C          F       Bb         Dm
Lay beside me now and tell me lies
C              D
As long as it's not about love

       Dm            C              Dm   C
Oh the last time we touched with our eyes
       Bb         C                  Dm   C
And the magic was stronger than the heart
   Dm       C              Dm     C
Oh I can't run away with my heart
   F   C          F       Bb      Dm
So lay beside me now and tell me lies
  C                           Dm
As long as they're not about love

         Dm           Gm
Shall we sail off the edge of the world
D Gm         Em
Fall forever
         A              Dm
Take my heart away but, no
Bb           C            Dm
You can't say words about love

( Gm  D  Gm  Em )
( A  Dm  Bb  C )

      Dm           Gm
If the magic comes between us
          D     Gm
And we never meet again
Em                A           Dm
Take a part of me away
Bb           C                Dm
Cause maybe it's all above love, love
