

Tom: Eb

Dio - Holy Diver

```
The vision never dies,
                                                                                                                                             ()

                                                                                                                                                                                                      Holy Diver, you're the star of the masquerade
Holy Diver, you've been down too long in the midnight sea
                                                                                                                                                                                                      No need to look so afraid (Jump!, Jump!)
Oh what's becoming of me
                                                                                                                                                                                                      Jump on the tiger, you can feel his heart but you know he's
Ride the tiger, you can see his stripes but you know he's
                                                                                                                                                                                                      mean
                                                                                                                                                                                                      Some light can never be seen
Oh don't you see what I mean
                                                                                      Am B C Am C G Am C G Am G Am
                                                                                                                                                                                                      SOLO: G Am G Am G Am C G (3x)
Gotta get away... Holy Diver
                                                                                                                                                                                                       FGFGCBFGCG
Shiny diamonds, like the eyes of a cat in the black and blue
                                                                                                                                                                                                      Holy Diver, you've been down too long in the midnight sea
Something is coming for you
                                                                                                                                                                                                      Oh what's becoming of me (No!, No!)
Race for the morning, you can hide in the sun 'till you see
                                                                                                                                                                                                      Ride the tiger, you can see his stripes but you know he's
the light
                                                                                                                                                                                                      clean
                                                                                                                                                                                                                   G
                                                                                                                                                                                                       Am
Oh we will pray it's all right
                                                                                                                                                                                                      Oh don't you see what I mean
Gotta get away-get away
                                                                                                                                                                                                      Gotta get away-get away
BRIDGE:
                                                                                                                    F G
                                                                                                                                                                                                      Gotta get away-get away
        Between the velvet lies,
                                                                                                                                                      Ε
                                                                                                                                                                                                       \  \, Am \  \, B \  \, C \  \, Am \  \, C \  \, G \  \, Am \  \, G \ \, Am \  \, G \  \, Am \  \, G \  \, Am \  \, G \  \, Am \  \, G \  \,
