

Diogo Saraiva - As Rosas Não Falam

tom:

Gm

Intro: Gm7 Gm D7 D7

Gm7 Gm
Bate outra vez

Com esperanças o meu coração

Pois já vai terminando o verão

Enfim

Gm7 Gm
Volto ao jardim

Com a certeza que devo chorar

Pois bem sei que não queres voltar

D7 Gm7 G7

Para mim

Cm7
Queixo-me às rosas

Db
Mas que bobagem

As rosas não falam

Simplesmente as rosas exalam

O perfume que roubam de ti, ai!

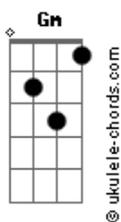

Gm7 Gm
Devias vir

Para ver os meus olhos tristonhos

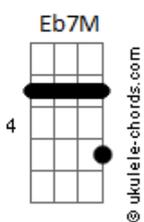

E quem sabe sonhavas meu sonho

Por fim
