 Some other way to show you I want you and need you
 If there's a way to make you care

 I wanna know so I can end this deep dismay

Eb Cm Abm
 Is there a word of love left unspoken
Eb Cm Abm
 Or a vow I made that I've broken

Cm Abm Eb
 Please, teach me to be the kind of girl you love

Is there another way to love you,
 What must I do to prove that I can't live without you
 Oh, darling please give me a sign
 I promise you I'll never rest until you're mine

Oh, how can you ignore such emotion
 Fill my heart with love and devotion

Cm Gm
 Come to me, let me see this endless night turn to day
Cm
 I love you with all my heart, is there another way
