

Dionne Warwick - Window Wishing

Tom: Eb

Eb Ab Eb Ab
 Through my window I just saw you
 Gm C F
 You were walkin' by with someone new
 Bb7 A
 Oh what I'd give to be walkin' with you

Ab Bb7
 Window wishin', that's all I do
 Ab Bb7
 Just window wishin' because of you
 Db
 Without your love I can't go on and face this world
 Bb Bb7 Eb
 For me there'll never be another you

I'll just be hopin' and prayin' you'll be callin'
 And you'll say let's give love one more try

If our love ends when you call I will die

So I stay here, all through day
 A million teardrops can't wash away
 The ache I feel here in my heart now that you're gone
 Fm7 Abm
 And now I cry

I'm window wishin', you're lonely to
 And window wishin', the way I do
 Come back to me without your love I can't go on

For me there'll never be another
 There will never-never be another
 Oh no, never-never be another

Ab
 And window-ow wishin', a-window-ow wishin'
 Eb Ab Bb7
 There will never, ever be another
 Eb Ab Bb7
 Oh no, never, ever be another
