

Diproposito - Manda Áudio

Tom: G

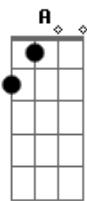

Você me deixou na loucura
Sem ter como te localizar
Dessa vez você foi imatura
Por mensagem é fácil terminar
Esfria a cabeça
Cuidado com a rua

Se eu te machuquei
Tenta me perdoar
Tenta me perdoar
Manda áudio Deixa eu ver se tem saudade no seu tom de voz
No seu alô da pra saber se ainda pensa em nós
Se o problema for amor pode voltar que ainda tem
Você só sai da minha vida se eu for também
