

Dire Straits - Angel of mercy

Tom: G

E D C

Well there's a Peter Pan moon, sheherd's delight

E D C

I got the dragon at noon, yes and I won the fight

E D C

Now i want my reward in heaven tonight, just like you promised

E D C

Angel of mercy you'll come to no harm

E D C

Angel of mercy, there's no need for alarm

E D C

The knight in his armour wants a night in your arms

D

You know he's honest

C G D G

Angel of mercy, angel delight, give me my reward in heaven tonight

C G

And if I give up my sword, won't you give me the right

D

Sweet angel

Well now it's too late for talkin', we can talk later on Let the saxophone play us till the Chorus of dawn And I need is a little oblivion, you don't need protection Well now here come the moonlight down on your bed Angel of mercy let your heart rule your head I don't want your money, I want you instead Don't need rejection yeah

Acordes

Angel of mercy, angel delight, give me my reward in heaven tonight
And if I give up my sword, won't you give me the right
Angel of mercy, give me heaven tonight

Well, if you cross your heart

And spit and swear upon the grave of your mother

ע . D

You gotta get into it, You gotta tell me that I'm more than a lower

(Solo over verse)

Yeah angel of mercy, angel delight A|-give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of mercy, give me heaven tonight

(Solo over Chorus)

Yeah angel of mercy, angel delight A|-give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of mercy, give me heaven tonight

Yeah angel of mercy, angel delight A|-give me my reward in heaven tonight And if I give up my sword, won't you give me the right Angel of mercy, give me heaven tonight
