

Dire Straits - Brothers in Arms

```
tom:
        B
 Abm
                   Е
These mist covered montains
                 ВВ
Are a home now for me
                Abm
But my home is the lowlands
And always will be
               Abm
Some day you'll return to
                         E Dbm Gb
Your valleys and your farms
And you'll no longer burn
To be brothers in arms
SOLO (Abm E Dbm )
Though these fields of destruction
            B B B
Baptism of fire
I've witnessed your suffring
As the battle raged higher
             Abm
And trough they did hurt me so bad
                   E Dbm Gb
In the fear and alarm
           В
```

```
You did not desert me
   E Gb
My brothers in arms
SOLO (Abm E Dbm)
Abm Gb
                     Abm B Gb
There's so many different worlds
              E Gb
So many different suns
And we home just one world
     В
But we live in different ones
SOLO (Abm E Gbm )
Abm
Now the sun's gone to hell
                   В
And the moon's riding high
                Abm
Let me bid you forewell
Every man has to die
But it's written in the starlight
And every line on your palm
We're fools to make war
                Gb
      F
On our brothers in arms
