

Dire Straits - Love Over Gold

Tom: F

F Bb C
 There you walk out on the high wire
 Bb F Bb
 You're dancer on thin ice
 F Bb C
 You pay no heed to the danger
 Am Dm C F
 And less to advice
 F Bb C
 Your footsteps are forbidden
 Am Bb C F
 But with knowledge of your sin
 C Bb F
 You throw your love to all the strangers
 Dm
 And the caution to the wind

Interlude: A G G F Eb D Eb D Eb D Eb D C Bb A

F Bb C
 And you go dancing through the doorways
 Bb C F Bb
 Just to see what you gonna find there
 F Bb C

Leaving nothing to interfere
 Am Dm F Dm C F
 With the crazy balance of your mind
 F Bb C
 And when you finally reappear
 Am Bb C F
 At the place where you came in
 F Bb Bb F
 You've thrown your love to all the strangers
 Dm
 And the caution to the wind

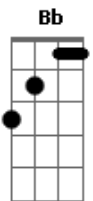

Interlude: A G G F Eb D Eb D Eb D Eb D C Bb A

C
 It takes love over gold
 F Bb
 And mind over matter
 C Bb Dm
 To do what you do that you must
 C
 When the things that you hold
 Eb
 Can fall and be shattered
 C Dm
 Or run through your fingers like dust
