I seen a girl on a one-way corridor  
Stealing down a wrong way street  
For all the world like an urban toreador  
She had the wheels on - on her feet  
Well the cars do the usual dances  
Same old cruise and the kerbside crawl  
But the rollergirl she's taking chances  
They just love to see her take them all

No fears alone at night  
She's sailing through the crowd  
In her ears the phones are so tight  
And the music's playing loud

Hallelujah  
Here she comes queen rollerball  
Enchante what can I say  
I don't care at all  
You know she used to have to wait around  
She used to be the lonely one  
But now that she can skate around the town  
She's the only one only one

No fears alone at night  
She's sailing through the crowd  
In her ears the phones are so tight  
And the music's playing loud

She get's rock n roll  
A rock 'n roll station  
And a rock n roll dream  
She's making movies  
On location  
She don't know what it means

But the music make her wanna be the story  
And the story was whatever was the song what it was  
Rollergirl  
Don't worry

D.J. play the movies

All night long

All night long

She tortures taxi drivers just for fun  
She like to read their lips  
Says: "Toro, toro, taxi - see 'ya tomorrow my son"  
She just let a big truck graze her hip  
She got her own world in the city - yeah!  
you can't intrude on her, no - no, no  
She got her own world in the city  
Cos' the city's bein' so rude to her

No fears alone at night  
She's sailing through the crowd  
In her ears the phones are so tight  
And the music's playing loud

She get's rock n roll  
A rock 'n roll station  
And a rock n roll dream  
She's making movies  
On location  
She don't know what it means

But the music make her wanna be the story  
And the story was whatever was the song what it was  
Rollergirl

Don't worry  
D.J. play the movies  
All night long  
All night long

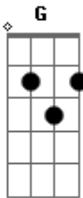

Slippin' and a-slidin'  
Yeah, life's a roller ball  
Slippin' and a-slidin'  
Skateaway - that's all

Skateaway  
Shala shalay, hey hey, skateaway  
Now shala shalay, skateaway  
She's singin' shala shalay, hey hey  
Skateaway
