

# Dire Straits - So Far Away Intro

Tom: **C**

**A**

**G**

?5

**A**

It's my first tab, but I thought it sounds good..  
..but that's only because it's my first tab :P

This part should you play a bit louder, than the other in the song. This comes exactly the "real" intro.

If somebody know what chord it is where the "?" is, please comment and say what I should there instead of the "?".

Good Luck - Hope you like it! :)
