

Dire Straits - Tunnel of Love

Tom: **F**

Getting crazy on the waltzers, but it's the life that I choose

Sing about the sixblade sing about the switchback and a torture tatoo

(0:54)

And I've been riding on a ghost train

where the cars they scream and slam

And I don't know where I'll be tonight but I'd always tell you where I am

(1:08)

In a screaming ring of faces

I seen her standing in the light

(1:15)

She had a ticket for the races just like me she was a victim of the night

I put my hand upon the lever

said let it rock and let it roll

(1:29)

I had the one arm bandit fever

there was an arrow through my heart and my soul

And the big wheel keep on turning

neon burning , up above

(1:44)

And I am high on the world

come on and take a low ride with me girl.

On the tunnel of love.

It's just the danger when you're riding at your own risk

Gm **Dm**

She said you are the perfect stranger she said baby let's keep it like this

(2:12)

It's just a cakewalk

twisting baby step right up and say

Hey mister give me two give me two cos any two can play

(2:25)

And the big wheel keep on turning

neon burning , up above

And I am high on the world

come on take a low ride with me girl.

On the tunnel of love.

(2:47)

Well it's been money for muscle another whirligig

Money for muscle another girl I dig

Another hustle just to make it big

and rock away rock away rock away

(3:05)

And girl, it looks so pretty to me , just like it always did

Like the Spanish city to me, when we were kids.

Oh girl it looks so pretty to me , like it always did

Like the Spanish city to me , when we were kids.
