G

If we can't get along we oughta be apart

And I'm wondering where'd you get that cold, cold heart

Set me free - sign my release

I'm tired of being the villain of the piece

[Refrão]

You been givin' me a bad time

Tell me what'd I do

How come I always get a hard time

Honey when it comes to you

Sayin' things that you didn't have to

How come I always get a hard time

Honey when it comes to you

G

You only get one life - this I know

I wanna get my licks in now before I go

The fire of love is dead and cold

Dm

I gotta satisfy the hunger in my soul
