Tom: **Db**

[CHORUS]

You better dance all night, You gonna make it right

[Verse]

Ebm
Top of the world, Peak of my high
Don't look now I just took flight
Apocalypse now, we own the night
Got two choices surf or fight
B
Skate, or die, sink or swim
Crash or fly, look within
Db
I do not let this bullshit faze me
I see lights and I go crazy
Ebm
Cool is the wind, Dark is the sky
Black bird sing in the dead of the night
Take these broken joints and get high
Take your worries, kiss 'em goodbye
B
Tonight had been so amazing,
I see you and I go crazy
Db
You put me into this trance,
I hear music, let's dance
Ebm
Whooo oooo whooo oooo
B Db
We ain't gon' stop now, dancing on top
Ebm
Whooo oooo whooo oooo
B Db
We ain't gon' stop now, no

[CHORUS]

You better dance all night, You gonna mak it right
Until we all fall down, We all fall down
Cause it's you that I've been missing
You better dance all night, You gonna me right

Until we all fall down, We all fall down
Cause it's you that I've been missing

[Verse]

Ebm
Be bold like a leopard, fierce like a lion
Like an eagle flyin' across the sky
B
And they wonder why
Db
When they ponder the creation of his majesty
Ebm
I believe in we
I believe in you and me as we swim upon the ocean
Swim on the sea
B
Won't you please come with me running up into the hills
Db
And the trees we can fall down through the tumbleweeds

Ebm
Whooo ooo whooo ooo
B Db
I will be our king, you will be my kingdom
Ebm
Whooo ooo whooo ooo
B Db
I will promise to sing dem

[chorus]

You better dance all night, You gonna make it right
Until we all fall down, We all fall down
Cause it's you that I've been missing
You better dance all night, You gonna me right
Until we all fall down, We all fall down
Cause it's you that I've been missing

[Bridge] x2
