## **Dirty Heads - Hipster**

Tom: D This time you shall not pass cause I'm the dragon smog I'm A small axe with big trees Verso 1: Rm you stay play with lincoln logs Well i'm so laid back i'm my own worst enemy keep it bottled Bm up inside bad energy Why don't you go take a jog better yet go kick some rocks let me guess you got a blog D Then I hear the sound of this musical amphetamine digging at follow trends like it's your job my soul like the track's n full of ketamine I prefer to be myself you wanna be like everyone else like a Bm ticket need some help gonna Never slowing down fast forward's all I ever see pocket's get scalped indian pelt never dry man you can call me evergreen Pré-Refrão: Two bottles of wine three teas and some Vicodin every single I know I've got all that I need so I'll give to you, all of night same thing till i'm one-eyeing the love you give Bm Always keep my shit locked tight no oxygen if you don't to me and we'll carry through believe me go kick rocks with some moccasins Refrão: Couldn't find a hipster to fix gears on my rockin' man D Bm everywhere I go I got the whole So endlessly, we will carry on through your energy and every room talkin' man song we sing Pré-Refrão: creates a memory, I wouldn't change for anything, music is eternity and lives G G I know I've got all that I need so I'll give to you, all of the love you give in me eternally D to me and we'll carry through Endlessly we will come together like a symphony and everything you do feels Refrão: like its meant to be it's endlessly, music is eternity and Bm So endlessly, we will carry on through your energy and every lives in me song we sing A|-Bb-Bm eternally creates a memory, I wouldn't change for anything, music is eternity and lives Interlude: Bm in me eternallv This is how it's supposed to be, carried by this melody D exactly where I'm supposed to be, my feet walk steady Rm Endlessly we will come together like a symphony and everything to my own heart beat and I will carry on through the you do feels sounds of my soul, the love that we give will be repaid in full like its meant to be it's endlessly, music is eternity and All that we are is under our control lives in me A | - Bb - Bm Refrão:(x2) eternally. Bm So endlessly, we will carry on through your energy and every Verso 2: song we sing Bm Said you wanna play this game with me but you got way too much creates a memory, I wouldn't change for anything, music is lag wish you had my eternity and lives gamertag wish I could be cut in half in me eternallv D Half to write these songs for you the other half to spit your D Bm raps put this on my Endlessly we will come together like a symphony and everything epitaph I don't give a rat's ass you do feels Bm I don't even rhyme I just whine really fast and I ain't got like its meant to be it's endlessly, music is eternity and the time i'm just sand in lives in me the glass A|-Bb-Bm eternally
