

Dirty Heads - Spread Too Thin

Tom: A

I, I'm spread way too thin
 Everybody wants to know what's happenin
 I, I'm spread way too thin
 what's the big rush now, tell me why you're rushin

I, I'm spread way too thin
 Everybody wants to know what's happenin
 I, I'm spread way too thin
 what's the big rush now, tell me why you're rushin
 Why you rushin
 Why you rushin

Well everybody's callin, but I just need some time.
 Yeah I just need some room to breathe again
 A way to clear my mind
 you don't need to be here
 all up in my face
 we need to find the right solution
 to put you in your place

I said hey, I got a lot to say to you
 hear what you say it's not true
 so this is what I'm gonna do
 look at me I'm gonna let you know

I, I'm spread way too thin
 Everybody wants to know what's happenin
 I, I'm spread way too thin
 what's the big rush now tell me why you're rushin
 Why you rushin
 Why you rushin

Well this has got me twisted

In the worst kind of way
 you put me down when I'm not around
 and then you, and they you smile at my face
 you don't need a home no, what you need is a cage
 I've bottled up all of these emotions babe
 a monster 'bout to rage

I said hey, I got a lot to say to you
 It seems you got somethin to prove
 so this is what I'm gonna do
 look at me I'm gonna tell you so

I, I'm spread way too thin
 Everybody wants to know what's happenin
 I, I'm spread way too thin
 what's the big rush now tell me why you're rushin
 Why you rushin

Let me breathe, let me chill for a while
 Let me breathe, no it's not my style
 Let me breathe, let me chill for a while
 Let me breathe, no it's not my style

I said hey, I got a lot to say to you
 hear what you say it's not true
 so this is what I'm gonna do
 look at me I'm gonna let you know

I, I'm spread way too thin
 Everybody wants to know what's happenin.
 I, I'm spread way too thin
 what's the big rush now tell me why you're rushin
 Why you rushin
 Why you rushin
